GAS STRUCK IN OIL DRILLING

Sure Signs Of Oil Said To Have Been Found By Crew At Work In Buck Creek Section

A big producing gas well was struck at a depth of 218 feet by the crew which is drilling for oil on the Albert Schuler farm in the Buck Creek section, in the southern section of the county, late last week. A great deal of interest has been aroused in all that section for the experts say that this is a splendid indication of oil close at hand. The rigging was moved southward 800 feet and another well has been started. The gas from the first well being piped and used for fuel in the drilling operations.

Deputy Sheriff Monroe Thompson of that section, was in town Monday, and told of the work which is being pushed rapidly by the Daniel Boone Oil Company, of Pittsburg, which has the drilling in charge. He said that when the first well was drilled, a strata of almost solid limestone was struck, which made work slow until it was pierced. The limestone proved to be 18 feet in thickness.

GOSHEN SCHOOL IMPROVED.

Mrs. Dollie McBee, the efficient teacher at Goshen school, reports that some much needed improvements have been made to the school house with the proceeds from the pie supper which was recently held there. The supper netted \$54.83 and this was expended for the building of a porch across the front of the building, over both doors, the addition of seven new hooks to the school library and the purchase of shades for the seven windows of the schoolhouse. The Goshen school is one of the most progressive of the county public schools and is doing fine work under Mrs. McBee's management. The new books bought for the Goshen school library were: Baldwins' Fairy Stories and Fables; Otis' Hannah of Kentucky; Pratt's Legends of the Red Children; Dickens' Story of Little Nell; Hawke's Trail to the Woods; Haaren's Famous Men of Modern Times and Whitehead's Two Great Southerners.

Dr. Harmon is a very popular and progressive physician of the East End, and will be a decided addition to the board of this rapidly growing and hustling financial institution, which plays such an important part in the commercial life of the East End.

STANLEY STOPS LYNCHING.

Gov. Stanley faced a huge crowd at Murray, Monday and successfully pleaded with the people to permit the law to take its course in the case of the negro, Lube Martin, charged with the murder of Policeman Duiguid, and it was announced that the trial of the negro would be called February 5. The negro was taken from Paducah to the Hopkinsville jail for safekeeping. Gov. Stanley returned to Louisville.

CHARLEY GREEN'S FINE WORK

Friends here of Charley Green, formerly of Stanford, have recently received copies of the American Cloak and Suit Review, which tells of the rapid strides he has made in the big department store of LaSalle & Koch, of Toledo, O. This firm has just built an attractive new home, and after describing it, the paper says: "The buyer of all the women's and misses' ready-to-wear stocks—that is, the cloak, suit, skirt, dress, and fur departments—at LaSalle & Koch Co., are presided over by Charley Green. Mr. Green went to LaSalle & Koch, between five and six years ago, succeeding Charles E. Stock, who left the LaSalle & Koch Co., to go with J. N. Adams Co., Buffalo. With the natural development of the cloak and suit trade, Mr. Green, in the years that he has been in Toledo, has made wonderful progress, and it is considered that his department now does a volume of business far in excess of the amount transacted when Mr. Green assumed charge. Mr. Green's departments are essential quality departments. LaSalle & Koch cater to the best dressed women of Toledo and the surrounding country. Mr. Green is a frequent visitor to the market, making at least eight trips a year, and is considered one of the most far-sighted merchants in the cloak and suit trade that come to New York.

Fourth Stock Dividend

Declared On State Bank Stock By First National Tomorrow.

January 13th will be a lucky date for the stockholders of the State Bank & Trust Company, whose business is the First National Bank of this city, has been winding up for the past year. Announcement was made today that another stock dividend will be made by the First National Bank tomorrow, Saturday, Jan. 13th. This will make the fourth dividend declared on this stock since the First National took charge, and will undoubtedly be pleasing to the large number who were interested in the late concern.

CHILDREN SHOW NERVE

The nerve and presence of mind of Marle, Chancellor, aged 14, and Joe B. Chancellor, aged 12, children of Mr. and Mrs. Joe Chancellor, who live on the Crab Orchard pike east of Stanford, was probably all that prevented a very serious accident when the horse they were driving ran away last Tuesday afternoon. The children drove to town each morning to school. When they started home that afternoon, the animal bolted. He ran down Main street, narrowly missing several pedestrians, and other vehicles, but was finally stopped by the children on lower Main. When the rig with the child and the runaway dashed through town, it was seen that each child had a line, and they were tugging and sawing away at the brute's mouth with all the strength they possessed. The lad had started to drive, but when the horse bolted, he handed his sister one of the reins, realizing that their combined strength would probably accomplish more than either one single handed and alone. Both were highly complimented upon their nerve and bravery in handling the vicious animal, when they returned to town.

NEW MAXWELL AGENCY

O. L. Minks, of Danville, who operates the auto line between that city and this, this week received appointment as agent for the famous Maxwell automobile for the counties of Boyle, Lincoln and Casey. Mr. Minks drives a Maxwell, but has arranged for a new model 1917 demonstrator. He is a thoroughly posted automobile man in every way, is very popular and progressive and plans to advertise his machine extensively. He will undoubtedly make a splendid agent for this machine, which is already very popular in this part of the state.

Here, There, Everywhere

Henry Spalding died at Lebanon last week. He was a son of Mr. and Mrs. John Spalding.

Judge Lincoln Wells is said to be a prospective candidate for the republican nomination for sheriff of Casey county.

The First National Bank building and hotel at London was sold Monday by Receiver John A. Best. The property was purchased by Abner Eversole for the sum of \$17,235.

In a fight on Rockcastle river near Mizes in Laurel Monday, between Nick and Ed Barnes and Willie Adams, Nick Barnes was shot and instantly killed and Ed Barnes shot in the head and seriously injured. It seems the difficulty came up over division of some corn.

Irvine oil is now bringing \$2.05 per barrel, the highest price ever paid for this grade. An interesting feature of the high price of oil is that it is encouraging operators who have productive wells to extend into the prospective territory, so that a very considerable part of the high prices obtained is going back into the development of the field.

A man by the name of Ponder, a bridge carpenter, while working in a tunnel near Livingston, Monday, was struck on the head by a piece of falling timber crushing his skull. He was brought to the London hospital and an operation was performed by Dr. Pennington in an effort to save the man's life but he died.

Girls! Draw A Moist Cloth Through Hair Double Its Beauty

Try This! Hair Gets Thick, Glossy, Wavy And Beautiful At Once

Immediate?—Yes! Certain?—that is the joy it. Your hair becomes light, wavy, fluffy, abundant and appears soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks' use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and just try it. 4-1

Golden Wedding

Of Mr. and Mrs. R. M. Pittman Celebrated At Parksville

"The golden anniversary of a wedding which was solemnized in this county 50 years ago, was celebrated at the home of the bride and groom near Parksville.

Fifty years ago last Sunday Mr. Robert Madison Pittman and Miss Alie Jackman Middleton walked down the aisle in a little country church at Walnut Flat in Lincoln county, and the late lamented Eld. Jesse Walden, father of Eld. William P. Walden and Mr. Jesse Walden pronounced the ceremony that made husband and wife. It was last Sunday that this happy couple celebrated the fiftieth anniversary of their wedding day at the Pittman home on the Junction City and Parksville road in the same house they ate their wedding dinner fifty years ago a house on the land which has been owned by the Pittmans since the settling of Kentucky. Mr. Pittman was born June 5th, 1843. Never strong physically for several weeks he was very seriously ill, he improving now, we are delighted to state and is able to be up and go about the place. While weak physically his big brain is still active, he is the same great reader, retains what he reads and possibly no man in Central Kentucky is better posted on national state, county and on foreign affairs than Mr. Pittman. Mrs. Pittman was born near Crab Orchard, June 6, 1851. She is enjoying good health, is one of the happiest most popular and best women that lives. The Pittmans seldom entertain. When they do, it is with a lavish hand. The luncheon served last Sunday afternoon from 1 to 4 o'clock was an elaborate one, prepared in a way for which Kentucky women are noted. The decorations were pretty and appropriate. The reception was an informal affair. Everyone present was made to feel thrice welcome, so gracious were they who had charge of that feature of the celebration. Fifteen children came to bless the union of Mr. and Mrs. Pittman. Of this number, seven of them, Eliza, Irvin, Baine, Kittie, Julia Procter, Lula Mae and Adeline, have gone to their reward. Of the eight surviving children the following were present: Dr. H. M. Pittman, of Perryville, Mrs. Ben Boling, Misses Allie and Sallie Pittman, of Boyle county, Mrs. Clifton B. Sandidge, of Lincoln county, Robert Madison Pittman, Jr., of Los Angeles, California, Elder Samuel P. Pittman, of Hueyville, Ky., and Mrs. T. A. Howard, of Seelye, Cal were deprived of the pleasure of being present. With one or two exceptions the following were invited. The following were added to the children mentioned: Mr. and Mrs. Thomas D. Newland and Mr. Howard Newland, of Stanford, Mrs. Julia Higgins of Somerset, Mrs. Elizabeth Coffey, Misses Jennie and Eva Coffey, Misses Bettie and Minnie Hayden, Mr. and Mrs. F. V. Kimberlin, Mr. and Mrs. I. M. Kimberlin, Mrs. C. M. Harlan, Mrs. Joseph W. McGinnis, Mr. and Mrs. Alex A. Johnson, Mr. Henry Harlan, of Boyle county, Mrs. H. M. Pittman, of Perryville, Messrs Harlowe and Marion Pittman, Messrs Lorraine and Thelma Pittman, of Perryville, Ben Boling, of Parksville, C. B. Sandidge, of Lincoln county, Col. G. D. McCollum, of Junction City, Mrs. Annie S. Harlan, Col. Jay W. Harlan, Miss Rhoda Harlan, Hon. C. Bagby, Mrs. Bagby, Col. C. R. Anderson and Mrs. Anderson, of Danville, Mr. and Mrs. Geo. H. Hoeker, of Parksville. The gifts were numerous, pretty and useful. When the hour came to separate, thus present soft reluctantly, each one with the and Mrs. Pittman would live to celebrate, expressing a hope that Mr. brate many more wedding anniversaries.

Crab Orchard.

The comedy "Deacon Dubbs" which was presented here before Christmas by the teachers and pupils of the graded school was by request reproduced last Saturday night and almost everyone who attended the first exhibition were present eager to see it again. We have attended some fine plays but never in our life one more entertaining, keeping up a lively interest from the first act through the entire performance. Tom Hays Brumough as the old deacon in looks, acts and voice was perfect and looked every year of sixty-five or seventy years. Benny Duke made a shrewd lawyer, acting his part fine. Montez Fish was the villain and his acting was perfect as it required much skill. Sam Perkins with vig and bearing represented a corpulent auctioneer, and few would have recognized either looks or voice. Miss Ellen Moore, as a school m'am and as a bride could not have done better and both she and Montez Fish had most difficult tragic scenes to produce which they handled well. The life of the play, Miss Philomena Popover was admirably acted by Miss John Eva Hilton, deacon in the most laughable ways. Miss Philomena herself could not have done better. Patience Edwards as the richest girl in town certainly deserved credit, both in acting and appearance. Then Trixie full of mischief, getting others into trouble was Miss Mary Gray and her performance added merriment and joy to the play. Eva Giesl made a fine Swedish hired girl and Joe Tom Edmiston as "Deuteronomy, a Country Product" simply was perfect. We feel that too much cannot be said in regard to these school plays which have been given from time to time by the teachers and pupils of our school here and the proceeds have been used to add comfort and necessary articles to the school building. Neither the teachers nor the pupils use any of the money earned. A piano which was greatly needed and chairs and other expenses have been paid for in this way and instead of complaining the town should patronize and co-operate with them in these laudable attempts to help the school to a higher standard.

Mr. Kittie Thompson and little daughter, Corn Lee went to Lebanon to visit her aunt, Mrs. R. S. Putnam and have Corn Lee's eyes examined.

Mr. Chris McClure, of Paint Lick, has been visiting Mr. John McClure and family this week.

Mr. Will Nupier, who had his leg broken some time ago was able to be out on crutches Tuesday.

Miss Edna King is sick at her home near here.

Mr. Andrew Dillon bought the store recently run by Mrs. Daisy Hunt and will continue business at the same stand.

Mrs. Hunt has accepted a position in Thos. Cherry's store and will be glad to see all her old patrons there.

Mr. James T. Chadwick is better and his many friends hope he will soon be out again.

Mrs. J. G. Carpenter, of Stanford, was here Tuesday to see her mother, Mrs. M. E. Fish, who has not been well for several days.

Mr. Robert Thompson has begun decided improvements on the home recently purchased of Buchanan heirs and it will soon be very much more comfortable and convenient.

The friends of Mrs. Ada King will be glad to hear she is much better. Mr. George Holmes, Jr., has bought a nice pony cart which is a beauty.

Miss Byrd Perkins has accepted a position in her father's store for this year.

Mrs. Kate Magee has been in Corbin some time visiting her daughter, Mrs. Bessie Browning.

Mrs. John McClure left Wednesday for Corbin and Williamsburg to visit relatives and friends.

Mrs. Nancy A. McClure is with her son and daughter in Paris.

Mr. Hurve Napier is in Paris.

Mr. Hurve Foley has returned from Somerset.

LOCALS BANKS IN FINE SHAPE

Both of the Stanford banks re-elected their old directors at stockholders' meetings Tuesday. Only one change has been made in the local bank directorates recently, Mr. J. Fox Dudderar having been added to the directorate at the First National Bank. Mr. Dudderar is one of the most substantial and progressive farmers of Lincoln county and at the same time, one of the most efficient and popular engineers on this division of the L. & N. railroad. He adds much to the strength of the board of this well known financial institution. Both of the local banks have declared their usual dividends and carried over surplus. It is doubtful if ever in the history of Stanford, any banking institutions were in better shape or showed better reports than do the two local banks at the present time.

MULES SELL WELL

S. H. Baughman sold eight head of mules at auction at the Jones stock yards Monday, and several others were offered, all of which brought satisfactory prices. Sales were cried by Col. John B. Dinwiddie. Mr. Baughman's hybrids were unbroken and most of them coming three-year-olds; he sold a mare to James Messer, of Crab Orchard for \$136; a coming three-year-old horse mule to Charles Beck, of Hubble, for \$118; a coming four-year-old to James Messer who turned it over to M. S. Baughman, for \$137.50; a coming four-year-old horse mule, to Clay Davis for \$133; a coming three-year-old mare mule to Robert Dameron, for \$149; a mare mule to John Baugh for \$126; a mare mule to James Messer for \$72; a horse mule to Wm. Kirk for \$96; a grey horse mule, broke, a coming four-year-old to J. M. Gover, for \$82; J. K. Baughman, of Hustonville sold a two-year-old black horse mule to Ike Shelby, for \$165; and a pair of coming seven and eight-year-old horse mules to John Camenish for \$257.50.

HARRY CAMINITZ MARRIES

A South Carolina paper has the following concerning the wedding of Harry Camnitz, a former Hustonville boy, who is well known here, where he has many friends and relatives: A December marriage of much interest to local people was that of Miss Lula Perrin, of Bishopville, and Mr. Harry R. Camnitz, of this city. The ceremony was performed by the Rev. L. L. Legters, pastor of the bride, and was witnessed by a few intimate friends. Mrs. Camnitz is the charming daughter of County Treasurer T. C. Perrin. She was formerly a student at Winthrop College and has been engaged in teaching in the past few years. Mr. Camnitz was the popular pilot of the local club in the Pee Dee league for the past season. He was just recently selected secretary of the Lee County Fair Association. Mr. and Mrs. Camnitz will make their home at Bishopville.

WEDS KENTUCKY BELLE

(From Taylorville, Ill.)

News comes of the approaching marriage of Harry M. Grantham, designer and tailor in Fred Koppes's West Main street tailoring establishment, who was married Sunday morning to Miss Iva Bailey of Indianapolis at the Baptist parsonage by the Rev. J. H. Spindler. Mrs. E. M. Seale and Mr. M. B. Leach were witnesses to the ceremony. Mr. Grantham had a home prepared for his bride on North Cottage street and the newly weds moved into it immediately. Mr. Grantham's bride is a very attractive, charming and accomplished Kentucky girl and she has recently been employed in an Indianapolis department store as cashier. The groom met her two years ago when she was visiting in Terre Haute. The romance begun then ripened into its happy culmination yesterday.

Mr. Grantham is well known in Taylorville and he is a skillful and valuable artisan as well as a designer of marked ability. The many friends of the groom gladly welcome his bride to this city. The bride is the daughter of Mr. and Mrs. James Bailey of Lincoln county and also the sister of Mrs. Al Williams of Taylorville and the former Mrs. W. P. Lankford, who died two years at Stanford.

Heard About Town

W. B. Cloyd, of Yuma, Arizona, is in Lincoln county, visiting his mother, Mrs. Priscilla Brown at Moreland, and meeting other relatives and friends. Mr. Cloyd has been making his home in the far western state for the past 31 years. He is a prominent resident of his section, but will always have a mighty tender spot in his heart for his "old Kentucky home," he says.

Painty little cards have been received here by friends, announcing the birth at Prestonsburg, of Walter Scott Harkins III, the second son of Mr. and Mrs. Joseph D. Harkins.

Both the mother and father are known here, the latter especially well, as before their marriage she was the attractive Miss Reba Baker, of Mt. Vernon, who was a frequent visitor in Stanford and very popular in central Kentucky social circles.

THE DEBT AND TAX SOLUTION

Editor Jim Richardson, of the Glasgow Time, is shooting the proposed new tax law full of holes in every issue of his good paper. He argues that if the state administration is anxious to raise more money for taxes, instead of putting over a loaded proposition like the proposed bill on the farmers of Kentucky, it increase the tax on whisky made in Kentucky to 10 cents per gallon and place a tax of a cent a bushel on coal mined in Kentucky. This will solve the whole question, and raise more revenue than the most extravagant administration can devise means of squandering, he thinks. And to prove that such a means of raising additional revenue will not work a hardship on Kentucky, he cites figures to show that the biggest portion of the booze made in Kentucky is sold in other states, and by far the largest part of the coal mined in Kentucky is shipped to other states. For this reason, the Kentucky consumer will in the end have to pay only a very small portion of the increased tax. And the farmer, who is now taxed to death, will escape the additional burdens, which the proposed tax law may place on him. Some logic in this, pay over \$100,000 for a special session of the legislature and turn the whole taxation system upside down, and in the end give the farmer and millowner, who cannot hold their property, the worst of it, when a couple of little changes in the present law, like those suggested by Col. Richardson, will wipe out the state debt, and give the politicians at Frankfort, so much money in the treasury that they can be kept busy the balance of their terms trying to devise ways to spend it, without racking their brains to discover the easiest method to create a lot more fat jobs and to skip more taxes on the already over-taxed farmers?

Richard Cobb, Sr., went to Richmond Thursday.

SUFFERED FROM BACKACHE RHEUMATISM, DROPSY.

Dear Mr. Editor—I wish to tell you of a recent experience I had when suffering from backache, weak back, rheumatism, dropsy, and congestion of the kidneys. I tried a new medicine called "Anuric," which has recently been discovered by Dr. Pierce, of whose medicines and Surgical Institution in Buffalo, N. Y., you have no doubt heard for years. This medicine acted upon me in a wonderful manner. I never have taken any medicine so helpful in such quick time. I do wish anyone in need of such a remedy would give it a trial. (Signed) G. H. HERN.

NOTE: Folks in town and adjoining counties are delighted with the results they have obtained by using "ANURIC," the newest discovery of Dr. Pierce, who is head of the ISVANTIS HOTEL and SURGICAL INSTITUTE, in Buffalo, N. Y. Those who started the day with a backache, stiff legs, arms and muscles, and an aching head (worn out before the day began because they were in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort and new strength they obtained from Dr. Pierce's Anuric Tablets. To prove that this is a certain uric acid solvent and conquer headache, kidney and bladder diseases and rheumatism, if you've never used the "Anuric," cut this out and send ten cents to Doctor Pierce for a large sample package. This will prove to you that "Anuric" is thirty-seven times more active than lithia in eliminating uric acid—and the most perfect kidney and bladder corrector. If you are a sufferer, go to your best druggist and ask for a 50 cent box of "Anuric." You run no risk for Dr. Pierce's good name stands behind this wonderful new discovery as it has for the past half century for his "Golden Medical Discovery" which makes the blood pure, his "Favorite Prescription" for weak women and "Pleasant Pellets" for liver ills.

SHOES For Everybody

In our opinion the most serious proposition of general interest, that confronts us is the **HIGH PRICES OF LEATHER**

We do not believe that any reading, informed man will tell you that leather will be any cheaper for several years and all the indications are it will be higher. We would not advise you to buy something you do not need. You can't go without shoes. You are bound to have them—the best you can get today are not good enough—the low price ones are worthless. Don't buy them. Don't put your money into cheap shoes. We have tried to buy good ones for you. Our experience of 25 years we believe enables us to know the best ones—our advise to you is to buy good ones and take better care of them—have the heels, seams and soles repaired as soon as needed. Keep them well oiled and you will get a reasonable amount of wear out of them.

OURS IS A SHOE STORE—shoes for every age and for every occasion.

Women of Middle Age

Many distressing Ailments experienced by them are Alleviated by Lydia E. Pinkham's Vegetable Compound.

Here is Proof by Women who Know.

Lowell, Mass.—“For the last three years I have been troubled with the Change of Life and the bad feelings common at that time. I was in a very nervous condition, with headaches and pain a good deal of the time so I was unfit to do my work. A friend asked me to try Lydia E. Pinkham's Vegetable Compound, which I did, and it has helped me in every way. I am not nearly so nervous, no headache or pain. I must say that Lydia E. Pinkham's Vegetable Compound is the best remedy any sick woman can take.”—Mrs. MARGARET QUINN, Rear 259 Worthen St., Lowell, Mass.

She Tells Her Friends to Take Lydia E. Pinkham's Remedies.
North Haven, Conn.—“When I was 45 I had the Change of Life which is a trouble all women have. At first it didn't bother me but after a while I got bearing down pains. I called in doctors who told me to try different things but they did not cure my pains. One day my husband came home and said, ‘Why don't you try Lydia E. Pinkham's Vegetable Compound and Sanative Wash?’ Well, I got them and took about 10 bottles of Vegetable Compound and could feel myself regaining my health. I also used Lydia E. Pinkham's Sanative Wash and it has done me a great deal of good. Any one coming to my house who suffers from female troubles or Change of Life, I tell them to take the Pinkham remedies. There are about 20 of us here who think the world of them.”—Mrs. FLORENCE ISHELL, Box 197, North Haven, Conn.

Corns Peel Right Off With “Gets-It”

2 Drops, and the Corn is a “Goner”

When you've got to walk on the sides of your shoe to get away from those awful corn-pains, there's only one common-sense thing to do.

Use “Gets-It” Your Corns Won't Swell in Water. Besides, They'll Shrink, Loosen and Peel Off!

Put 2 or 3 drops of “Gets-It” on the corn right away. Pain and inflammation will disappear, the corn will begin to shrink from that instant—when it loosens and falls right off.

There's no other corn-remover in the world that acts like “Gets-It.” No new discovery has been made in corn-removers since “Gets-It” was born. Don't forget that fact. “Gets-It” does away forever with the use of solvents that irritate, bandages that make a bundle of your toe, plasters that half do the work, knives and scissors that draw blood. Use “Gets-It”—no more disfigure or cutting.

“Gets-It” is sold everywhere, 50¢ a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Stanford and recommended as the world's best corn remedy by The Lincoln Pharmacy and The Penny Drug Store.

Keeps Her Children In Perfect Health

DR. CALDWELL'S SYRUP PEPSIN
THE FAMILY LAXATIVE FOR
MANY YEARS

Mrs. Aug. Doellefeld of Carlyle, Ill., recently wrote to Dr. Caldwell, at Monticello, Ill., that she has used Dr. Caldwell's Syrup Pepsin in her home for a number of years, and would not be without it as with it she has been able to keep her four children in perfect health.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that acts on the bowel in an easy, natural way, and regulate the action of this most important function. Nearly all the sickness to which children are subject is trace-

able to bowel inaction and a mild, dependable laxative such as Dr. Caldwell's Syrup Pepsin should have a place in every family medicine chest. It is pleasant to the taste and children like it, and take it readily, while it is equally effective for adults. Dr. Caldwell's Syrup Pepsin is sold in drug store everywhere for fifty cents a bottle. To avoid imitation and ineffective substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 465 Washington St., Monticello, Illinois.

The only wedding in our community during the holidays was that of Guss Horton, of Detroit and Miss Susie Long, of this place. The couple, accompanied by Leslie Reed and Miss Evalene Baugh drove to Stanford Tuesday to get their license then came back to the home of Rev. John Singleton, near Pleasant Point, where they were married by that gentleman. The bride is the youngest daughter of the Rev. John Long. She is about 17 years of age and is very pretty and popular. Mr. Horton, who is the second son of H. F. Horton, formerly of this place, but now of Detroit. Both the bride and groom have many friends here who wish them a happy and successful future.

Miss Bertha Rogers went to Danville Sunday to visit her brother's family.

Charlie Cook and family of Huble visited his mother here over New Years.

Mrs. Otis Chevolette and children of Burgin, spent the holidays with her mother, Mrs. Lucy Faulkner.

Lucian Reed, who has been working at Detroit for several months was at home during Christmas.

H. O. Young, the singer and fox hunter asked us to report that he ran down a fox in five and one-half hours and picked it up off of the ground. The fox measured fifty-six inches.

C. M. Young's family was made sad by the death of their old family mare, on Christmas eve night. "Old Fan" as the whole neighborhood knew her, had belonged to Uncle Ben Young, who died 12 years ago and had been in C. M. Young's family ever since, except for a few days last fall when one of the neighbors thought he would buy her, but changed his notion about it.

Eddie Young, who has been living on T. D. Williams' farm for the past year has moved near Junction City.

Jim Walls leaves the Speake farm and goes to the Dave Burton place.

Jim McGuffey goes to the Speake place.

Uncle Green Young expects to move to the Godfrey Baugh place.

Miss Cora Young, of Stanford, spent the holidays with her mother at Mrs. McKenzie's.

Will Adams and family of Pinchard, spent the holidays with their parents at this place.

Miss Lila Lewis took Miss Grace Young to the train at King's Mountain Sunday.

Mr. E. G. Baugh, who has been the efficient secretary of the Methodist Sunday school for some time resigned his position the last Sunday. He says he expects to move to Danville soon. They have many friends here and especially the church members who are sorry they are going to leave and can't help but hope they will soon return to their old home. Their son, Sam Baugh will move to the old home place when they leave. Although a certain young lady is about two months old, I don't think it has ever been reported that Edith Lavin is the name given the daughter of Mr. and Mrs. Sam Baugh.

Since the Mt. Moriah correspondent failed to report the result of the pie supper for the benefit of the Christmas tree, we would like to report it as one of our popular girls was such a help to them. Miss Pearl Cook received the box of candy which brought \$15.10 and her pie brought \$5.60. Altogether they collected \$36.05 which bought lots of presents for the little children of the Sunday School.

There was a family reunion at C. M. Young's during Christmas. The children from a distance were as follows: Rev. E. E. Young, wife and four children, of Danville, Ind.; Harry Young, of Union College, of Bardonia, Miss Fannie, who teaches at Maywood, Miss Elsie of Louisville, Miss Grace Young, of Danville, and Miss Serena Young, of Stanford. Miss Young, who has been sick for so long seemed to be made better by the children being there and she went to the table most of the time when they were there, a thing she had not done for several months.

Mr. Lindsay, Mr. Gattman and Mr. Evans, three of the telephone gang, who had boarded at C. M. Young's while working through here, liked this community, or some girls, so well that they came back to spend the holidays.

Noah Perry, of Toledo, O., visited relatives here during Christmas.

Mr. Hatcher, who lives east of this place had the misfortune to have his chimneys torn down and part of the roof taken off his house, when a falling struck his house one night last week. It is reported that the pieces on the inside of the house caught.

A number of the merchants of Leho, Kansas, have served notice on St. Louis business firms that they will no longer buy goods in that "wet" city. CUTS HIGH COST OF POOR HEALTH

Business Man Finds Way to Increase Efficiency.

The over-head cost of being half-sick is a financial factor being seriously considered by business men all over the country.

Efficiency is the road which leads to the goal for which every business man is striving and A. L. Van Dyke, 275 Arcade building, Dayton, says he has found the way to health efficiency at least. "Tantale," he says, keeps him in proper trim to meet the exacting demands of his real estate business.

Mr. Van Dyke said:

"It's hard to be on the job every day when a man wakes up in the morning without 'pep' or ambition. That's the way I felt.

"The trouble was my food wouldn't digest. It caused belching and bloating. I lost my appetite and it began to look as though I would have to give up business and take a trip for my health.

"Just about that time a friend recommended Tantale to me. It helped me almost from the start. My appetite came back. I was bothered less and less by gas. I began to feel like a real healthy human being.

"I've gained fifteen pounds. At the same time I've gained in business efficiency. That's why I'm eager to say a good word for Tantale. If anyone wants to know more of my story I am at 275 Arcade building, Dayton. I will tell anyone just what this new tonic has done for me and what they may expect from it themselves."

Tantale is sold exclusively in Stanford at The Penny Drug Store, E. R. Coleman, Proprietor.

Tantale can now be obtained in following nearby cities: Moreland, Abraham Minks; Hustonville, Adams Bros.; McKinney, True & Co.; Ellisburg, Joe McWilliams; Middleburg, W. C. Bryant; Crab Orchard, Lyne Bros.; Brodhead, John Robins; Lancaster, R. E. McRoberts; Bee Lick, J. Reynolds & Son; Waynesburg, W. A. Horton.

I, a Southern Gentleman, am Named

Well, way back in 1901, after I had been in this bright, happy world for several days, I began to get worried like. I didn't have any name.

Folks were calling me "it" and "the new one" and "whatdya-call-it." I didn't like it a bit. Then one day I heard the Big Chief telephoning all his department heads to meet in his office.

Pretty soon they all came filing in. Tall chaps, short chaps, fat chaps and skinny chaps. "Now that he is here," said the Big Chief, "what will you name him?"

My! how they wrangled and wrangled

and wrangled. You know, you have heard them argue whether He'd be called Jack or John or Jim before. Finally, one fellow spoke up and said:

"Why not call him 'SOVEREIGN'? His mother was a Virginian, his father an aristocrat of the Carolinas. He comes from the very best stock. He comes from the very sweetest, ripest, mellowest Virginia and Carolina tobacco. He is being raised right in one of the cleanest, whitest, healthiest homes on earth. He is a Southerner born, a Southerner bred, a Southern gentleman—the king of them all—a real SOVEREIGN.

**The Folks of the South KNOW good blood.
The Folks of the South KNOW good tobacco.**

SOVEREIGN—the best—is none too good a name." So I was named, friend, for I want you as one of my friends, and it means a whole heap when I say—

I am guaranteed by *The American Tobacco Co.* —Buy me. If you don't like me return me to your dealer and get your money back. I have said it. A Southern gentleman is known the world over for keeping his word, and I have given you mine.
